Subject: -

Approval of New product in HPPWD.

Reference: -

Your letter No. Nil dated 26.04.2022.

With reference to your letter referred above the technical committee meeting in its meeting held on 28.04.2022 has recommended the products of your company on pilot basis in various projects under HPPWD, Shimla Zone with the following terms and condition for a period of six month.

Sr.No.	Description of item	Brand of the products.
1	PW-AL-PE Composite pipes as per IS;	Nexgen

(A) Each lot of material supplied must be accompanied with manufactures test certificate from NABL accredited labs. The independent quality tests shall be conducted on every lot of supply. The material supplied should fulfill all the norms and specifications of latest relevant code of BIS.

(B) This approval is valid for six month initially and further continuation of the approval of the product shall be decided, thereafter, based on the mandatory feedback/ performance report submitted by the Executive/ Superintending/ Chief Engineers of HPPWD and valid BIS certificate. In case any information is received by PWD officials regarding any defect/discrepancy, the same will be reported to this office without waiting for the expiry of the period of six month.

Please note that in case of adverse report on performance of your firm/products/ received from field offices, Approval given here can be cancelled at any point of time during the currency of approval period without waiting for the expiry of period of six month.

The approval does not make the firms eligible for claiming right to get the work or/ items done procured through them only. Work/procurement is subject to firm's competitive offers against other competing manufactures/brands/suppliers.

The approval does not absolve the Executive/Supervisory staff from their responsibility of using correct quality product; the product should be used only after they are satisfied about the quality and the performance. Mandatory checks about the quality should be carried out as laid down under the codes pertaining to these products and the records of the same should be maintained.
