D. O. No. ACC/PB&HP/NIS-CAIU/Vol.-II/ 1450  
Dated: 13-07-2016

Dear Sir,

I would like to take your valuable time to inform you that the issue of coverage of contract workers and constructions workers under the Employees' Provident Fund Act, 1952 is on top most priority of the Government of India.

As per the provisions of Paragraph 30(3) of the Employees' Provident Fund Scheme 1952, the Principal Employer have to ensure payment of contribution payable by him in respect of the employees employed by him or through a contractor. Provision is available on the official website of EPFO [www.epfindia.gov.in](http://www.epfindia.gov.in) under the link "**Establishment Search**" to verify the regular remittance of dues by the agencies or contractors in respect of all the employees deployed by them. The above facility can be utilized by Principal Employers to check the compliance position of their employees engaged through such agencies or contractors.

I would also like to mention here that with a view to make the system more robust, transparent and to reduce the cost of compliance to the employer, EPFO has launched a facility for the principal employers to upload at EPFO's Website the details of contract employees of each contract awarded by them. EPFO's field offices will take appropriate action to secure compliance of employees engaged by the contractors. Concerned Officer or representative of your Departments can contact the concerned Regional PF Commissioner of field offices for any assistance or information in the matter.

A Circulate  
C.E.S.
